

Top 30 Fishing Spots Around Columbus, Ohio

Thirty places to wet a line within an easy drive of Columbus. Bring a valid **Ohio fishing license**, then use each spot's **fish**, **bait**, **website** (when there is one), and local tip.

Before you go

- ☐ Current Ohio fishing license — [ODNR licenses](#)
- ☐ Check size/bag limits for what you're keeping — [ODNR fishing regulations](#)
- ☐ Rod + reel, spare hooks/soft plastics, pliers, net for bigger water
- ☐ Sunscreen, water, bug spray (summer), warm layers (shoulder seasons)
- ☐ Trash bag — pack out what you pack in

License note: This guide is not a substitute for ODNR regulations. Access and rules change — confirm park/reservoir posts the morning of.

How to use: Circle 2–3 nearby spots, pick a half-day window, and leave if pressure or weather turns.

Bait cheat sheet (central Ohio favorites)

Target	Often works
Bluegill / sunfish	Worms, waxworms, tiny jigs, small spinners
Crappie	Minnows, 1/16-oz jigs + soft plastics, small tubes
Largemouth / smallmouth bass	Soft plastics (worms/creature baits), spinnerbaits, crankbaits, topwater (warm months)
Saugeye / walleye	Jigs + minnows or soft plastics, crankbaits along drop-offs
Channel / blue / flathead catfish	Cut bait, chicken liver, nightcrawlers, stink baits (channel); live/cut bait deeper for blues/flatheads
White bass	Small spinners, spoons, shad-imitating soft plastics
Carp	Corn, dough balls, worms (where legal / ethical for the water)

Reservoirs & big water

1. Hoover Reservoir — Westerville / NE Columbus

Fish: Crappie (black & white), channel / blue / flathead catfish, largemouth & smallmouth bass, saugeye, bluegill, white bass.

Bait: Crappie — minnows or 1/16-oz jigs + soft plastics near cover; catfish — cut bait / liver on the north end; bass — plastics & crankbaits; saugeye — jigs/crankbaits on drop-offs.

Web: [ODNR — Hoover Reservoir Fishing Area](#)

Local tip: Pick one arm and fish it well. 10 HP outboard limit. Westerville food/coffee ~10 minutes from most ramps.

Nearby: Blendon Woods / Inniswood if you want a short walk.

2. Alum Creek Lake — Lewis Center / Delaware County

Fish: Largemouth & smallmouth bass, saugeye, crappie, channel catfish, bluegill.

Bait: Bass — soft plastics in weeds (3–10 ft) or topwater; smallmouth — plastics/crankbaits on points & rock; crappie — minnows/jigs; catfish — cut bait / crawlers.

Web: [ODNR — Alum Creek Lake Fishing Area](#) · [Alum Creek State Park](#)

Local tip: Weekday mornings beat weekend boat traffic. Confirm ramp/lot status seasonally.

Nearby: Lewis Center / Polaris for food after you load up.

3. Griggs Reservoir — NW Columbus

Fish: Largemouth bass, bluegill, crappie, channel catfish; occasional hybrid striped bass / white bass reports.

Bait: Worms & small jigs for panfish; soft plastics / spinnerbaits for bass; cut bait or crawlers for cats along deeper edges.

Web: [City of Columbus — Griggs Reservoir Park](#)

Local tip: Shared path with bikes/kayaks — keep casts and gear tidy.
